## **Woolgoolga Public School**

**TERM 4 ISSUE 2 19<sup>th</sup> October 2017**

---

Student safety is always our prime concern. The 40km/h zone on the main road through Woolgoolga near Woolworths has recently been removed. As an interim measure, some of the crossing guards are still around, but this RMS service will also finish soon. If your child uses the crossing in the morning or afternoon, please remind them about the safety rules and how to use the crossing safely. Class teachers are also reminding students about this safety aspect in class as well. On another road safety note, we would like to remind parents not to walk between the parked buses in the bus zone. We like to model safe road habits for our students and keep everyone safe. Thank you and have a great week!

- Kind regards, *Matt Hankinson*

## Woolgoolga Real Estate Soccer Shield

Last Friday, 13<sup>th</sup> October, some Stage 3 girls and boys contested the Woolgoolga R.E.S.S. The format was changed this year to 6aside teams which allowed us to enter 2 boys' and 2 girls' teams. It was a very busy day as each game went for 20 minutes-10 minutes a half.

The boys won their division while the girls came runner-up being narrowly defeated by Sandy Beach PS. All competitors enjoyed the day immensely.

Thank you so much to the wonderful parents and grandparents for once again supporting and encouraging these students. Thank you Duane Baker who organised one of the girls teams on the day, which was an immense help to me. (Barb).
