Woolgoolga Public School

TERM 4 ISSUE 6 16th November 2017

Our school has been working hard to encourage sustainability and environmental programs for our students. This week is National Recycling Week and our students have continued to follow this passion. To highlight this week, our year six classes engaged with a special video conference focussing on the reduce, reuse and recycle catch cry. Our stage one students were the third group to enjoy their excursion to the Coffs Harbour Recycling Centre and Marine Science Centre on Monday. Kindergarten will go next Monday. This is all in addition to our regular recycling and composting programs. Thanks everyone!

Furthermore, through our P&C committee and your support we have been supporting three different recycling projects in the front office. The result of our bottle top collections won't be far away now and we are also collecting post packs and beauty product containers for the Terracycle challenge. Please support our P&C's efforts in this challenge. Everyone may cast one vote for a local school every 24 hours visiting <http://www.garnier.com.au/playground>. Vote every day between November 13th and December 8th. Thanks, and enjoy a great week!

Kind regards, Matt Hankinson

Festival of Choral Music 2017

On Monday 6th November the school choir travelled to Sydney to perform at the Sydney Opera House. The performance was wonderful and so was the trip. Singing in front of all those faces and on such a big stage made us all feel famous!

A big thank you to Mr Anderson for all your help and organisation.

Intensive Swimming

On Thursday 23rd November we begin the Intensive Swimming Program for all students in Year 2 and nominated students in Years 3 – 6. We strongly encourage the parents of all students in Year 2 and with nominated students in Years 3 – 6 to take full advantage of this valuable program and ensure their child/ren are participating.
