Woolgoolga Public School

TERM 4 ISSUE 8 30th November 2017

On Tuesday night, our dedicated P&C had its final meeting for the year. There were lots of great ideas being raised and discussed. You can mark the 16th March on your calendar for next year, when our P&C coordinates the next school fete, which again is shaping up to be a great event. Unfortunately, the playground equipment planned for installation this year has hit a few unavoidable snags (with apologies) but should be resolved next year. Thanks for your patience with this matter. Our outdoor classroom furniture has been relocated into two smaller outdoor areas to make it more accessible and appealing for classes to use. Thank you to the fantastic efforts of our P&C committee to help make our school a better place for students, staff and parents.

I encourage all parents to consider being involved with this wonderful group of people in the new year. Thanks again! -
Kind regards, Matt Hankinson

The final day for canteen will be Friday 15th December.

Some food items will be running low in the canteen over the next week or two but we will try to fill orders as close as we can with the food we have available. Fresh strawberry and chocolate milk will no longer be available from next week due to problems with the refrigerator. A substitute of UHT flavoured milk will be available.

Thank you for your understanding.
