Woolgoolga Public School

TERM 2 ISSUE 3 11th May 2017

Thank you to our wonderful P&C team for organising this year's Mothers' Day stall tomorrow. Thank you to Mrs Potts who is coordinating the sales tomorrow and anyone who has donated goods towards the stall. I enjoyed meeting with our P&C committee at our Annual General Meeting this week. Congratulations to our returning P&C Executive and thank you to all parents and staff who attended.

Best wishes to all our mothers, grandmothers and carers for everything you do to support our children. Have a wonderful Mothers' Day this Sunday!
Kind regards, Mr Matt Hankinson

NAPLAN Testing

Years 3 and 5 have been completing the National Assessment Plan – Literacy and Numeracy tests over the last three days. Families will receive detailed results later in the year. The school will also receive a summary of results to assist with planning. We are very pleased with the way students have applied themselves whilst taking the tests. **Well Done!**

Congratulations to all students who represented our school at the District Cross-Country last Friday. Eight students will now go on to represent the Coffs Harbour District at Grafton next Friday.

Good Luck to Balam Desalegn Bekele, Deakon Viney, Lola Clarkson, Hadley March, Riley March, Baxter March, Brock Pearce and Amos Roworth.

Live Life Well @ School

Tips for reducing screen time:

Allocate a screen free day each week and encourage children to participate in other outdoor activities.

Have you moved or changed your telephone number?

If you have moved residence or if your contact details have changed please let the school office know as soon as possible.

By doing so, you will ensure that we can get in touch with you, or a nominated contact person, should your child become ill, or an emergency arises.

Winter Health

A 'common cold' is different to the 'flu', it usually affects the nose and throat only, while flu tends to make the whole body ache.

Simple precautions that prevent the catching and spreading of coughs, colds and influenza include:

- ♦ covering your mouth if you cough
- ♦ washing your hands after contact with soiled tissues or any contact with nose or throat discharge
- ♦ avoid sharing drink bottles, cups or cutlery
- ♦ parents are requested to keep sick children at home.
