Woolgoolga Public School

TERM 2 ISSUE 9 22nd June 2017

Dear Parents, Carers and Friends

Congratulations to both our netball and debating teams who were competing against rival schools this week. In both instances our students performed well as a team but were defeated at their events. The debating team received a tricky topic and were only narrowly defeated in their debate. Although our netballers were defeated this week, they made it to the fourth round of the knockout competition, defeating other school teams on the way.

Well done to both teams! Be proud of your efforts!

Next week our school will distribute student reports to all families. It is worth noting that the large majority of students achieved good results with 'Grade Level' (C) performances in key learning areas. This grade is the expected level for all students who are on track with their learning. I am further encouraged by the level of effort our students are putting into their learning. I am sure many parents are looking forward to receiving these reports next week. Remember that if you have any concerns, feel free to contact your child's teacher to discuss any results. Have a great final week of term!

Kind regards, Mr Matt Hankinson

Trivia Night

A big thank you to everyone who came to support our trivia night - it was the biggest and best yet. It was a great success with around \$1610 raised for the school.

A massive thank you to Mrs Kerry Mallett for organising and running the night – the P&C appreciates all your effort! Also thank you to Alice Chapman and Joan Simpson for taking on the tough role of marking, to all the teachers who supported and helped on the night, the year 6 students who helped with set up and the local businesses who donated prizes. We are grateful for your continued support of our school.

Another awesome effort by our school community!!!

Congratulations to Table 4 for winning in a very very close contest (*you know who you are!!*)
