## Woolgoolga Public School

TERM 3 ISSUE 4 10<sup>th</sup> August 2017

Our whole school performance of 'Aladdin Trouble' is starting to get much closer now and everyone is working diligently towards polishing this show to perfection. I must thank all staff, students and parents who have been helping in any way. I would also like to thank Mrs Sciortino for her wonderful work coordinating the school's efforts with this mammoth project. With the performance running over two nights, it will be a highly exciting event. Thank you to our main actors, who have given up so much of their own time to make this performance a success. Keep up your efforts! It's starting to get exciting and I am looking forward to seeing this wonderful performance.

*Kind regards, Matt Hankinson*
