Woolgoolga Public School

TERM 3 ISSUE 10 21st September 2017

End of Term - School Holidays

Thank you to all students and families for another successful term. We have enjoyed many highlights and successes including various sports, academic programs, school excursions, transition programs, P&C events and our highly successful school musical. Thank you to a dedicated staff who always put the needs of our students as their priority in all decision making at our school. We wish all families a safe and happy break.

This Friday will be the last day of term three and students return to school on Monday 9th October after a well-deserved break from school routines. Have a great holiday and we look forward to seeing everyone safe and sound after the holidays

- Kind regards, Matt Hankinson

Year Six Brisbane Excursion

Our year six students are currently enjoying the last day of their Brisbane excursion. They will be spending today at Sea World before returning to Woolgoolga tonight. They have all had a fantastic time. Students are due to arrive back at 8.30pm tonight. If there is any change we will post it on our school Facebook page.

Kindergarten Excursion 'People Live in Places'

Kindergarten students have been visiting various places in Woolgoolga as part of their learning for the HSIE unit called "People Live in Places".

Students visited Woolgoolga Lake where the National Parks and Wildlife guide explained about the Aboriginal significance of Woolgoolga Lake and how it is looked after and then visited our local Surf Life Saving Club to learn about why the beach is an important place in our community, how it is looked after and the role of the Surf Life Savers in our community.

P&C 5c Fundraising Challenge

We will be starting Term 4 off with a bang with our 5 cent fundraising challenge which will run over weeks 1 and 2. The aim of the challenge is to raise money to help the P&C fund a sandpit in the K-2 area and to purchase representative uniforms for Yr 3 - 6 students including blazers, athletics tops and swimming caps. We are also working towards improving the outdoor classroom area and installing new signage for the school. Look out for more details in the separate note home this week.

P&C Working Bees

The P&C working bee scheduled for the coming weekend (23rd & 24th September) has been cancelled. We apologise for any inconvenience to parents who committed to helping out.

We will, however, be having a working bee later in the holidays over Friday 29th September, Saturday 30th September and Sunday 1st October to paint new games in the infant area. If you are able to help out, please get in touch with Emma on 0421 180 881 or via our Facebook page

Plastic Bottle Top Mural

Thank you for collecting so many plastic bottle tops and lids over the last term for our mural. We have a great collection but still need more! In particular, we need pink, grey/silver, green and light blue tops and lids. Please keep collecting over the holidays so that our mural can come to life next term.

Thu, August 24, 2017

Patrick

In computers we played with a robot called sphero

1B have become more confident using the iPads this term and using the 'Seesaw' app in the classroom. They can write sentences and illustrate them and are beginning to use the microphone to record themselves reading their work or guided reading texts. They've had lots of fun documenting their learning, being creative and learning how to use technology.
