Woolgoolga Public School

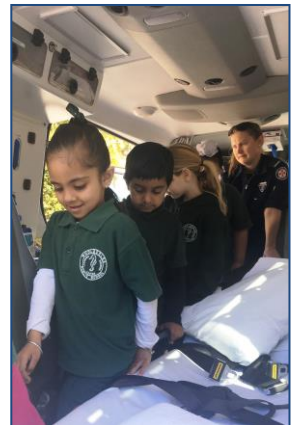

TERM 3 ISSUE 8 7th September 2017

This week our office staff have been busy with the implementation of our new finance and student management systems. It's amazing that this 'Go Live' week coincides with School Administration and Support Staff Recognition Week. Under normal circumstances, our office staffs do amazing work to support our school, students, staff, parents and community. This week their workload has been significantly heavier but they have kept up a positive attitude and achieved wonders. Thank you to everyone for their patience. Thank you to all our marvellous School Learning Support Officers, our General Assistant and our office staff, not just this week but all year round!

I would like to invite parents to contribute any ideas you may have that you believe would make our school a better learning environment for students, staff, parents and the wider community. I have prepared an online survey to get your suggestions and give us feedback on our current school vision. If you would like to contribute, please go to <https://goo.gl/forms/78EoYRUV5MOCG8z2>. The link can also be found on our website under the school planning tab and I will post the link on our Facebook page as well. Our students will also be consulted through our school parliament. All staff, student and parent ideas are valued and will be collated with school data to help us develop our 2018-2020 school plan. Thanks for your help and have a great week. - *Kind regards, Matt Hankinson*

Kindergarten Ambulance Visit

As part of our Geography unit, People Live In Places, Kindergarten students are being provided with the opportunity to explore and further discuss concepts related to these topics through a range of excursions. The first visit was by our local ambulance service to our school last Thursday. Students were able to go inside the ambulance and were taught about what the ambulance staff does to assist injured people.

'Aladdin Trouble'

Our whole school musical production, "Aladdin Trouble", will be staged in our school hall over two nights, 12th and 13th September, starting at 6:30pm both nights.

There will be NO tickets sold on the night. Tickets have been selling fast and we are nearly sold out. Please ensure you return all notes in relation to the musical to class teachers and the canteen.

P&C Movie Night

The P&C would like to thank those families who came along to support our first ever outdoor movie night on Friday. The weather turned a little chilly, but the kids still had a fantastic time watching the movie and playing with the laser lights. A special thank you to NRMA Darlington Beach Holiday Park who lent us the movie equipment. We are hoping this will become an annual event in our school calendar and would appreciate any constructive feedback about how the event can be improved next year.

Aladdin Trouble – Cheese Bun and Popper Order

The P&C will be providing a light snack for our student performers at the musical. You may order a cheese bun (like a cheese and bacon roll with no bacon!) and popper (either juice or milk) for \$3.00. Orders due back tomorrow, Friday 8th September.

Refreshments at Aladdin Trouble

A canteen will be operating at the musical on both nights – light snacks and drinks will be available to purchase to enjoy during the performance.

Kindergarten Orientation 2018

Yesterday was the second visit for our 2018 kindergarten students. Children enjoyed a story then participated in mathematics activities and had recess and playtime at big school. Our next orientation day will be Tuesday 19th September, 9:30am – 12:00.
