Great Night with Parents and Teachers

A big thank you to all parents who came along to the 'Meet the Teacher' night on Tuesday. Parents had an opportunity to meet teachers and hear about expectations for their child's year of schooling. The barbecue was enjoyed by all. As always, we appreciate the relationship between parents and teachers as this ensures maximum success for our students.

SRC Induction

Congratulations to our 2018 Student Council who were inducted today at a special assembly. Congratulations to Woolgoolga Public School Captains for 2018 – Riley March and Amos Roworth.

Congratulations also to our Student Councillors – Patrick Harboe, Ava Wilson, Luke Featherstone, Riley March, Scott Priest, Amos Roworth, Natasha Sidhu, Kyleah Stratton. We look forward to their leadership within the school.

Sydney Swans Visit

Students in Years 3 – 6 enjoyed a visit from two Sydney Swans players, Jordan Foote and Jake Brown on Tuesday. Students participated in some handball, kicking and marking skills and listened to a talk presented by both players.

Important Anaphylaxis Information

Anaphylaxis is a severe and sudden allergic reaction to food such as nuts or shellfish, or insect bites. If your child is diagnosed at risk of an anaphylactic reaction, an individual health care plan is developed. You will need to provide information from your child's doctor, including an ASCIA Action Plan for Anaphylaxis. The individual health care plan will describe your child's needs and how the school plans to meet these needs during the school day, on excursions and in other school activities. Schools and parents work together to put arrangements in place for health care support. Information from the child's doctor, provided by you, will inform the planning process.

Prevention is certainly better than cure. In our endeavour to prevent as many potentially dangerous situations as possible, many procedures have been put into place. All parents can assist by encouraging their child to avoid sharing or trading food and eating utensils. Encouraging children to wash their hands with soap after eating may also be helpful. While we are unable to tell parents what to pack for their child to eat in their lunch boxes, we are appealing to our parents to avoid sending nut products to school for their child to eat if at all possible. These products include:

Peanut butter	Nutella
Nuts of any type	Nut spreads
Coconut	Muesli bars of any type

The first P&C meeting for the year will be on Tuesday, 13 February at 7.00pm in the school library. If you have an idea to suggest or want to get involved in the fete, please come along.

We will also be hosting a "meet and greet" from 6.30pm – 7.00pm for new people to come and say hello to existing P&C members without fear of getting signed up for a job and without any obligation to stay for the meeting. We are a very friendly bunch and would love to see you there.
