TERM 2 ISSUE 2

10th May 2018

NAPLAN 2018

We would like to remind you that the students in Years 3 and 5 will complete the annual NAPLAN examinations from 15th to 17th May. Throughout the week students will be tested in reading, spelling, language conventions, writing and mathematics. Please remember to treat each day as a regular school day. Wake up, eat breakfast, get dressed and come to school by 9am, play with your friends, go into class and do your best.

"Waste Free Wednesdays"

During the last few years our school has moved to being a healthier, more environmentally friendly place. We participate in Crunch and Sip daily and were lucky enough to be given an Eco Schools Grant at the end of 2016 which has helped us to improve our school vegetable/herb garden and to create a citrus orchard and bush tucker garden. Bin stations have been established within our school which include a green bin, a yellow bin, a red bin and also a soft plastic recycling bin. Paper and cardboard items are being recycled within our classrooms. Students have become proactive in recycling!

During Term 1, our school was informed that we were successful in obtaining a "Nude Food" grant. Nude food is food that is free from packaging. We are introducing "Waste Free Wednesdays" at our school. We would like to encourage parent assistance to ensure this is a success. We ask that parents talk about this concept with their child/children and support our school to create lunchboxes which are as free from waste as possible. There are many simple ways in which waste in lunchboxes can be reduced or eliminated eg: using a sandwich container so that sandwiches don't have to be wrapped in cling wrap or foil.

We thank you for your anticipated co-operation.

Mother's Day Stall

Our Mother's Day Stall was a huge success today. We would like to extend a big thankyou to our hard working P&C, especially Mrs Julie Potts for the organisation of the stall, which includes purchasing, wrapping and selling all the beautiful items the children were able to purchase. An amazing effort. Thank you.

Happy Mother's Day

District Cross Country

A large team of our students will be representing the school at the District Cross Country to be held at Woolgoolga this Friday 11th May.

They will be participating in the age divisions 8/9 years, 10 years, 11 years and 12/13 years.

We wish them all the very best on their scenic but arduous adventure.

Stewart House Donation Drive 2018

Stewart House are once again doing their donation drive. Your donation supports 1800 children who attend Stewart House each year from public schools.

Please place a \$2 coin or equivalent in the envelope and complete the entry details on the back and return to our school office by 17th May 2018.

Fire & Rescue NSW Open Day 2018

Winter is just around the corner so it's a great time to visit your local Fire & Rescue NSW Fire Station and learn more about how to be home fire safe. In an effort to educate the community about fire prevention and safety, Fire & Rescue NSW is hosting its annual Open Day on Saturday, 19th May 2018 between 10.00am and 2.00pm.

You and your family are invited to visit your local station for home fire safety tips, hop on a fire truck and chat with firefighters to learn more about what they do every day.

From chemical spills, car accidents and natural disasters to education, prevention and humanitarian relief, across the state, across the country and even overseas, our firefighters are prepared for anything, anywhere, anytime. For more information, visit ww.fire.nsw.gov.au. Make sure you mark it in your diary and come and join us on the day.

Asthma Puffer Reminder

As winter is approaching, we need to ensure students who use asthma puffers at school have current medication available at all times. We have been contacting parents to request that out of date Ventolin relievers are replaced as soon as possible. Please check with the office if your child has an asthma puffer at school.
