24th May 2018

Mufti Day Fundraiser

On Tuesday 22nd May our school held a fundraiser for one of our families who lost all their possessions in a house fire. Students and staff raised \$1231.00 on our Mufti day. This is absolutely amazing and a very big thankyou to everyone involved.

All monies raised will now be given directly to the fundraising appeal set up for this family.

PSSA Netball Knockout

Last Friday, the girls netball team went down to the Woopi Netball Courts to play against Mullaway P.S in a knock-out round of netball. They smashed it with a score of 18-8 and are moving on to play Sandy Beach P.S. Our team players were, Simran Kaur, Tnisha Singh, Tiarie Suey, Ari Craig, Namjas Sohal, Raman Chouhan, Ava Wilson, Ebony Singh, Natasha Sidhu and Tenaya Baker who filled in for us and did a fantastic job. CONGRATULATIONS!

By Ebony Singh and Simran Kaur

The girls had a wonderful game and showed great sportsmanship. They played strongly in attack and defence and are looking forward to their next game. Mrs Ayres

The Seahorse Cafe

Open Tuesday to Friday

MEAL DEAL DAY (Hot Dog)

Make sure you put your orders in by Friday (tomorrow) for our special Meal Deal Day on Wednesday 30th May.

ICAS Science

This competition will be held on Tuesday 29th May. If you are unsure if you have paid for this test please see Mrs Enersen.

Yr 5 & 6 Major Excursions

Just a reminder that payments are now being taken for the Great Aussie Bush Camp and Brisbane excursions.

A note was sent home recently suggesting regular payments be made to ease the burden of any financial stress. If you would like to pay by instalments that is okay. Payments can be made at any time and may also be made online through our school website.

PSSA Boys Softball

On Monday our boys softball team travelled to Boambee Public School to compete in the PSSA Softball Knockout. Boambee were more skilled in the tactical side of the game and gained a big lead in the first 2 innings. However the WPS boys soon grasped the art of stealing bases and were able to narrow the score to a 3 point margin.

Though they were defeated 22- 19, they should be proud of their competitive spirit and the skills they demonstrated to look like the stronger side in the final innings. Congratulations boys and thankyou to the parents who assisted in transporting the students to the game. – Mrs Silk

SCHOOL ASSEMBLIES

Stages 2 & 3 - Fridays @ 12:00

Stage 1 – Fridays @ 12:45pm

Road Safety –Keeping Our Students Safe

The safety of students is always our number one concern. Students are reminded to cross Scarborough Street at the pedestrian crossing where there is always a teacher on hand to assist them. We ask parents that they assist us with training students in road safety by using the crossing and parking in the correct areas.

Please refrain from parking in the bus zone between the following times:

8:30am to 9:30am and 3:00pm to 4:00pm.

Stopping in a school bus zone incurs a \$319 fine and loss of 2 demerit points.

We would also like to remind parents the school car park located between the hall and the administration building is not for use as a drop off or collection point. This area is very busy with children moving to bus lines and buses arriving and departing from our bus bay area.

Please be advised that the thick yellow lines near the gutter mean this is a **NO Stopping Zone**. We appreciate your support to ensure the safety of your children.

AWARDS

CONGRATULATIONS

To this week's
Award Winners

Certificate of Merit

- Austin Hundle KF
- Nathanael Hickman KM
- Harnoor Kaur KM
- Navjot Singh KM
- Joel Reeve KM
- Saanvika Dutt KW
- Max Hargrove KW

- Manjot Sodhi 2M
- Tanisha Stainsby 2M
- Jayden James 3A
- Max Deist 4D

Certificate of Excellence

- Jotveer Kaur 2M

Lost Property

This week we would like to remind parents to ensure their children's names are clearly marked on their clothing.

As the day warms up, many students take off their jumpers and as a result, the number of jumpers in lost property is beginning to grow and we would love to see them return home.

3R

This week in Mathematics, 3R has been learning to measure things accurately using both centimetres and millimetres. It was encouraging to see the students improve their skills as they participated in the hands on activities that were undertaken during these sessions.
