Dance Eisteddfod

Congratulations to our Infants dance group who attended the Dance Eisteddfod at Woolgoolga High School last Friday. The girls received a 3rd place in the Infants section. The behaviour displayed by all students at the event was absolutely amazing. All teachers involved were proud of the way you performed and the behaviours that you displayed. Well done everyone.

Stage 2 represented WPS at the Eisteddfod last Friday showcasing a traditional Punjabi dance to the song Maahi Ve. The girls brought home a well earned second place. Stage 3 entertained with a Michael Jackson Tribute dance amongst a tough division of 16 other performances and also brought home a second place. The judges were very impressed by the high calibre of performers from WPS.

The GRIP Leadership Conference

Last Thursday I was lucky enough to attend the GRIP Leadership Conference in Coffs Harbour, with our schools Student Representative Council. The Conference concentrates specifically on training students for their role as school leaders. All sessions during the day were entertaining and included a main presentation, interactive activities, discussions and leadership games.

Our school leaders left this conference with a solid understanding of how important leadership is and ideas that can help make them become a better leader in our school. I would like to thank Mrs Roworth for assisting in the transport of these students on the day, and congratulate all eight SRC members on their behaviour and enthusiasm throughout the day. It was a lot of fun. – Mrs Enersen

1B – Fundamental Movement Skill

1B have been participating in a 'Fundamental Movement Skill' program which enables them to perform movement skills with equipment in minor games. They perform and practise skills such as the hop, side-gallop, skip and overarm throw. You can see some of these activities in the photos below. They have also written about how they feel participating in these activities.
