TERM 4 ISSUE 1

18th October 2018

Welcome Back to Term 4

Welcome back! It was great to see everyone back at school on Monday and we look forward to a productive and enjoyable term. We hope all our students and their families had a fantastic holiday.

Term 4 (as always) is shaping up to be extremely busy. Semester 2 reports will be written this term, intensive swimming will take place, year 6 high school orientation day and graduation will be held as well as our annual Presentation Day - just to name a few! Please check your child's bag regularly for notes about upcoming events.

Visiting Performance

Water, Water, Everywhere.

Presented by Musica Viva In Schools. This performance will take place next Tuesday, 23rd October in our school hall. Please return your money and permission note to your class teacher as soon as possible. Students can share in this beautiful music and possibly have a try of the fascinating instruments.

Kindergarten 2019

Students starting school in 2019 should have already registered with our school. Our kindergarten transition program has already included four visits to school. If you are aware of any additional students starting in 2019 please have them contact the school as soon as possible. See the back page for more photos of our transition program.

Arriving at School

Students should arrive at school between 8:45 and 9:00am in the morning. The morning play session and supervision begins at 8:45am.

Students should only arrive at school prior to this where it is unavoidable. If they are at school prior to 8:45 they should remain seated in the COLA area.

We appreciate your cooperation with this matter.

Child Protection – Kindergarten, Years 1 and 2

This term all students in Kindergarten, Years 1 and 2 will participate in the Child Protection Education program. This program supports the teaching of the Personal Development, Health and Physical Education syllabus.

Class teachers will be teaching the lessons set out in the Department of Education Child Protection Education program booklet. This is a mandatory teaching component within the primary school curriculum for all students K-6. Please see your child's teacher if you have any questions.

5 cent Fundraising Challenge

The P&C 5cent fundraising challenge started this week and will continue until the end of week 2 – please bring in your 5cent coins to your teacher and help your class win the prize!!

Remember the prize will go to the class which raises the most money per student – there will be a winning class in K-2 and 3-6.

All money raised will help the P&C fund our projects as well as our longer term goals.

Silver and Gold Awards 2018

Students who have 3 x Certificates of Excellence will need to bring these to the school office before the end of week 8 to be entitled to their Silver Award at a special assembly.

If you have received 5 Certificates of Excellence you will need to send them to the school office to receive your Gold Award on Presentation Day.

Student Banking

Student banking will recommence this Friday. Please ensure all sections of your child's deposit book are complete to assist in speedy processing by our volunteers.

"Where is the Green Sheep?"

A large group of our 2019 kindergarten students enjoyed a visit to the school library. They enjoyed a story with our Teacher/Librarian, Ms Molloy and completed activities relating to the story. Our extensive kindergarten transition program includes eight visits to school. Our newest students are already showing how comfortable and happy they are at school. We're sure they will have a fantastic 2019.
