Woolgoolga Public School

TERM 4 ISSUE 2

25th October 2018

Environmental Update

I would like to take this opportunity to show off our thriving vegetable garden and to share the dedication and team work of our students.

To date our students have participated in campaigns including Clean Up Australia Day and National Tree Day. We have celebrated these days by tidying gardens, weeding, mulching and planting to help maintain our beautiful school environment.

Recently, our Environmental Council completed another waste audit, this time on our Canteen. This has motivated the students and teachers to keep promoting Waste Free lunch boxes and the recycling of soft plastics within our school. Each week we are taking two 240L garbage bags full of soft plastic to Woolworths to recycle. Please help us to minimize this even further! The students receive special 'green win bins' for their supportive actions.

I would also like to thank local community members:

- * Jim Stevens for his donations toward our school garden and for his advice on our amazing passionfruit vine and citrus plants;
- * Cath Francis for her donation of plants for our garden;
- * Chyna for her huge donation of succulents and potted plants; and
- * The Woolgoolga Garden Club for their visits, contributions and advice!

Ms Melinda Smith - Coordinator

Water, Water, Everywhere by Musica Viva

Students in Years K – 6 enjoyed a performance on Tuesday by Musica Viva in Schools.

This performance is part of our school's learning program and builds on preparatory work done in your child's classroom utilising the Water, Water, Everywhere resource kit. The kit's teaching resources are linked directly to the music curriculum as well as other curriculum areas.

An array of percussion instruments were played in water, including gongs, bells, wooden bowls and tin cans.

WPS P & C News

Is it time for a family portrait update? P & C would like to invite parents to support this fundraiser for our school. A flyer has been sent home with every student.

Bookings and payments can be made online at: www.trybooking.com or send in cash in a labelled envelope. Unfortunately we cannot accept payment by our online school payment system as this is a P & C fundraiser.

5c Fundraising Challenge

Thank you for your fantastic support of our 5c fundraising challenge over the past couple of weeks. You still have two weeks to get those coins into school – so please check your money box, the coin box in the car and ask family and friends for support.

Woolgoolga Public School Week Ahead

Week 3	Week 4	Week 5
