Woolgoolga Public School

TERM 4 ISSUE 5 15th November 2018

By the end of this week, we only have half a term (5 weeks) until the end of the school year. This time will be very busy with lots of school events building up to the end of the year's formal events, such as reports, Presentation Day, the Year Six Farewell dinner and graduation. We also have year 3 visit to Arrawarra, SRC speeches and elections, regular swimming groups, as well as the Intensive Swimming Scheme. Enjoy the end of year activities but stay safe and sensible, so you can enjoy all the opportunities that our school provides for our wonderful students.

Helping Our Kids Stay Safe in School Zones

Driving in school zones is a serious responsibility. Road rules near schools save lives! The beginning and end of the school day are busy times for pedestrians and vehicles in school zones. Drive safely and always obey the road rules... the safety of every child depends on it!

- ✓ Park and stop in designated zones (Don't park over the marked yellow line)
- ✓ Don't double park
- ✓ Get off the mobile phone
- ✓ Check your speed
- ✓ Look out for kids in bus zones
- ✓ Hold hands with your child

Show you care – be aware!

A flyer has been sent home today with further information for you to read.

Fire Safety Visit

The Woolgoolga Fire Brigade visited our school today to conduct fire safety talks with all students from K - 6.

The correct procedures to implement in the case of a fire to protect yourself and others were discussed and all students had the opportunity to look and sit inside the fire engine and use the fire hose. A big thank you to our local firemen for their time and the information we have gained.

Students Leaving or Enrolling in 2019

To assist our school planning for next year, could you please contact the school office if you are aware of any families leaving or moving into our area in 2019. This information helps in minimising disruptions to the start of the new school year.

As the end of year approaches we would also like to remind parents to ensure your contact details are current. Please contact the front office to update any changes.

Thank you for your assistance.

Year 3 Excursion Monday 19th November

Students in Year 3 will be attending an excursion to Arrawarra on Monday to observe the Arrawarra Fish Traps and the rocky foreshores that are part of the Solitary Islands Marine Park.

Students will need to: wear a hat, wear comfortable walking shoes and bring a packed lunch, recess and water bottle.

WPS P & C News

Have you booked a spot for your family portrait on Saturday 24th November? This is a great chance for a family portrait for the whole family.

Bookings and payments can be made online at: www.trybooking.com or send in cash in a labelled envelope. Unfortunately we cannot accept payment by our online school payment system as this is a P & C fundraiser.

Plastic Bottle Tops

It is time to take a break from saving and collecting the plastic bottle top lids. Thank you very much for the large collection we have.

If you have any ideas for recycling projects, please get in touch with the P&C.
