TERM 4 ISSUE 7

29th November 2018

Intensive Swimming

Students are being instructed on water safety, how to develop their existing swimming skills, the different swimming strokes and a variety of water survival skills. All students who are participating should be congratulated on their effort and commitment. Their exemplary behaviour and positive attitude is a credit to each of them and they have shown a substantial improvement in their water skills during the first week.

A reminder that the last day of Intensive Swimming is Friday 7th December. On the last day students will be allowed to purchase something from the pool shop/canteen. If you would like your child to buy from the shop we suggest a limit of \$5.00.

Kindergarten 2019 Transition

The next Kindergarten 2019 transition day is tomorrow, Friday 30th November from 9:30am – 11:30am. Children will be participating in literacy activities and parents are invited to attend the Parent Information session in the library and stay for morning tea.

Please ensure we have all the required documentation for your child to commence school next year.

- application to enrol
- birth certificate
- immunisation history statement
- proof of residential address.

Student Banking - LAST REWARDS FOR 2018

This is your last chance to redeem your reward/s for this year!

If your child has collected 10 Dollarmites tokens and would like to redeem them for a School Banking reward item this term, please fill in your child's redemption slip and bring it along to one of our School Banking days by Friday 30 November 2018. This will ensure the reward item will arrive before the school holidays.

Our final School Banking day for 2018 is Friday 14th December 2018.

Any Dollarmites tokens that are not redeemed this year can be used in 2019.
