TERM 4 ISSUE 2 24th October 2019

Waterwise Visit

Students in Kindergarten to Year 2 experienced a performance called “Water for Life” by The Toads on Tuesday this week. They learnt about the Coffs Harbour drinking water supply and how to avoid wasting our precious water.

Students had the opportunity to join in the singing and dancing with the colourful characters from The Toads.

The theme for National Water Week this year is “It’s time to change the world”. We all need to work towards a world where everyone will have access to safe and clean water.

School Canteen Volunteers

Our school canteen is in urgent need of volunteers to assist Kylie with food preparation and serving the students of our school. If you are able to give some time to help support your children it would be wonderful.

The school canteen is a positive way to be involved with your school. It’s also a great opportunity to meet and interact with Woolgoolga Public School’s students, staff, parents and caregivers.

Most importantly, by volunteering to help, it will assist our P&C to continue to provide nutritious food to our students in accordance with the School Canteen Guidelines, as set out by the NSW Department of Education.

Yes! I can help!

Lost Property and Clothing Pool

We have an abundance of school jumpers, unlabelled, in the schools lost property. If your child is missing a jumper please have them check lost property before the end of term. Any items still unclaimed by the end of the year will be donated to the clothing pool.

Our school's clothing pool is in need of size 6-8 summer uniforms for both boys and girls. Any donations would be greatly appreciated. All items from our clothing pool can be purchased for a gold coin.

Year 6 Surfing Program

Students in Years 5 & 6 will be participating in a surf program at Woolgoolga Beach commencing next Wednesday. This program is partially funded by the Federal Government's Sporting Schools Program and delivered by Solitary Islands Surf School in partnership with Surfing Australia.

Year 5 & 6 will attend the lessons every Wednesday for four weeks.

Please ensure you have returned your permission note and \$20 by the 30th October to your class teacher.

P&C Meeting

Tuesday 29th October

6pm in the Library

Children are welcome

Now is a wonderful time to come along and see what P&C is all about.

Our fundraising efforts are winding down for the year. So come along and listen, or even suggest how we can invest back into the school to benefit our students.

Parent numbers attending our meetings have been very low. Without parents we don't have a P&C.

We look forward to seeing you.
