TERM 1 ISSUE 3

13th February 2019

Kindergarten Bus Safety

Kindergarten students were able to put into practice the skills learnt during their recent "Play It Safe" health and safety lessons. Students have been learning about the importance of safe bus behaviour including where to wait for a bus, how to board a bus safely and how to sit safely on a bus whilst travelling.

A big thank you goes to Jason from Sahdra Bus Service for kindly donating the bus and Mr Geoff Robinson for his time giving our Kindergarten students this valuable experience during their drive around Woolgoolga and the NRMA who provided an educational talk to our students.

Swimming Carnival – Tomorrow – 14th February 2019

The school's swimming carnival will be held at the Woolgoolga Swimming Pool tomorrow, 14th February commencing at 8:45am for competitors in the 100m & Medley events. All other students will walk down from school at 9:15am. The carnival is open to all students from years 3 – 6 and any 8 year old competitive swimmers from year 2.

Attendance Counts!

Regular attendance at school is vital for children to learn and retain the fundamental skills taught in primary school. It is also very important on a social level and in terms of promoting effective life-long habits. Just one day a fortnight away from school effects a child's learning and adds up to four weeks of missed schooling across the year.

Keep your child learning – keep your child at school.

If your child is away from school due to illness, please send a note explaining their absence to your child's teacher. The note should explain when and why your child was away from school. Attendance at school is a legal requirement as is the explanation of any absences.

Terracycle Recycling Programs

The P&C is still running their recycling program this term and are still collecting old beauty products and mailing satchels as well as dental waste. These will be sent off to Terracycle to be given a new life. A collection point is in the administration building (near the school Interview room). Please see our office staff to direct you.

Beauty products:

* Cosmetics packaging such as used lipstick and lip gloss, mascara, eye shadow, bronzer, foundation, eyeliner, eye shadow, lip liner, and concealer packaging.

* Hair care packaging such as used shampoo and conditioner bottles and caps, hair gel tubes and caps, hair spray and hair treatment packaging.

* Skin care packaging such as lip balm, face moisturiser, face and body wash soap dispensers and tubes, body and hand lotion dispensers and tubes and shaving foam packaging.

Mailing satchels: any brand of prepaid Mailing Satchels & Padded Mailing Satchels
