Clean Up Australia Day

The official Clean Up Australia Day for schools will be held tomorrow, **Friday 1st March**. Schools' Clean Up Day is specifically designed to allow students to participate in Clean Up Australia as part of a school activity. All classes have been briefed about what to do if they come across hazardous materials.

Important information for families ...

- ♦ **All classes** will be designated an area of the school grounds to clean up.
- ♦ **Each student** is invited to bring a pair of garden gloves to wear for this activity.

This is a great way for WPS students to learn how to reduce the impact of waste on our environment and make a real difference in their local community.

Coffs Harbour District Swimming

On Monday, students from Woolgoolga Public School travelled to Coffs Harbour Swimming Pool to compete in the Coffs Harbour PSSA District Swimming Carnival.

Tyler Lee, Kyte Lee, Marlon Frost, Riley Burgess, Cash Howarth, Hadley March and Jessica Featherstone advanced to the next level and competed in the Mid North Coast PSSA Swimming Carnival yesterday at Coffs Harbour Pool.

Twilight Fete - Volunteering

If you haven't already returned your volunteer form to help out at the fete, please do so. There are lots of different jobs and flexibility with how much time you can give. We appreciate any help parents can give to help raise funds for your school.

P & C Fete Meeting

A meeting will be held on the 5th March at 3:30pm in the school library. Anyone is welcome to attend.

In 1B we are participating in lots of different programs:
We are taught gymnastics by trained instructors.
We work in reading groups based on our oral reading level.
In science we have lots of hands on activities where we are developing our ability to problem solve.
