TERM 3 ISSUE 4 15th August 2019

Jump Rope for Heart kicks off this term!

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for over 35 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$75 million for the Heart Foundation's lifesaving work.

It's important you [register your child online](http://www.jumprope.org.au/parents), so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started. www.jumprope.org.au/parents

Students will be skipping in their recess and lunch breaks and in PE classes. During this time you can share their online fundraising page with family and friends to help raise money for this great cause.

We will hold our school Jump Off Day on *Monday 23rd September*. This will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills.

Thank you for supporting the Jump Rope for Heart program!

3S News

Last week was a busy week for Stage 2 as we took part in the activities associated with our school's NAIDOC Celebrations on Wednesday and then set off trekking around Woolgoolga on Thursday, to complete the Heritage Walk as part of our Local History Unit.

For NAIDOC the Stage 2 classes assisted in making some sculptures to be used by Year 3 in renovating the garden outside our classrooms. This will be an ongoing project for the remainder of the term, so watch for the interesting changes as we make progress.

The Heritage Walk was enjoyed by all, with students learning many interesting facts about Woolgoolga's settlement history along the way. The many sights left us feeling very lucky to live in such a beautiful place!
