A special congratulations to Felix, Tony, Darcy and Austin who have progressed to the next level and will compete at the North Coast Cross Country Trials later this term.

National Reconciliation Week 27 May – 3 June 2024

The National Reconciliation Week theme for 2024, **Now More Than Ever**, is a reminder that no matter what, the fight for justice and the rights of Aboriginal and Torres Strait Islander people will and must continue.

During Reconciliation Week students will be reflecting on National Sorry Day, learning about reconciliation events and exploring Indigenous histories and culture in their classroom activities. Teachers will be delivering general information from authentic and reliable information sources.

If you feel this may trigger distress or anxiety for your child and would prefer for your child be withdrawn from these lessons, please contact your class teacher or the school office. We strive for our students to always feel happy and safe.

Too Sick for School?

As the cold weather hits, so do the winter bugs. It's often hard to know whether to send your child to school or let them stay home to recover. If your child is displaying any of the following symptoms, they should stay home and/or see a doctor:

- A temperature of 38C or above
- Vomiting or diarrhoea
- Any cold, flu or respiratory illness symptoms
- Rashes of unknown origin.

For more information on common childhood illnesses and NSW Health guidelines please visit:

<https://www.health.nsw.gov.au/Infectious/factsheets/Pages/childhood.aspx>

At all other times, children should attend school every day.
