## Woolgoolga Public School

TERM 4 ISSUE 4

8<sup>th</sup> November 2018

Last Friday, some of our senior students participated in a six a side soccer gala day sponsored by Woolgoolga Real Estate. The 2 boys' teams and 2 girls' teams had a great day competing against other schools from the northern beaches

The girls played 5 x 20 minute games in hot and windy conditions, displaying great sportsmanship and encouragement. They were seen subbing themselves off so those on the sideline weren't left standing for too long.

In the girls division, Woopi A came first and Woopi B came runners up. Well done girls, I was very impressed and proud of the way you conducted yourself throughout the whole day.

When combined with the boys score, we won the shield again and it will take pride of place on our wall in the administration building corridor. Thank you to everyone who helped with transport and supported the children on the day and to Mr Ben Cheers from Mullaway PS for organising this competition . *Mrs Barbara Booker*

### 5 cent Fundraising Challenge

Thank you for your fantastic support of our 5 cent fundraising challenge over the past four weeks. You still have one day to get those coins into school – so please check your money box, the coin box in the car and ask family and friends for support. We will be announcing the winning classes next week! Good luck.

## P&C Christmas Raffle

The Christmas raffle is on again and your assistance will ensure it is a success. This is a wonderful opportunity to support your P&C and actively help contribute to your school.

Eldest students have been issued with raffle tickets and as soon as more books are available they will be sent home with your child. The raffle will be drawn on Tuesday 11<sup>th</sup> December. The P&C greatly appreciates your support.

Year 1 are involved in developing their cricket skills through a program called 'The Mascot Challenge.' Here you can see 1B practising their throwing and catching skills. At the end of the challenge they will have their own ball to keep practising these skills.

Last Thursday was outdoor classroom day where 1B were in the outdoor area in the K-2 playground. They took part in a writing lesson. There were some positives and negatives for working in this area which the students flagged.

**Negatives** – The grass was itchy, it was too sunny, too windy and there were shadows.

**Positives** – It was breezy so that kept you cool and it was nice working out in the fresh air.

Suggestions to think about when working in this area:

- find a different place to sit so you are out of the heat;
- take drink bottles with you, clipboards and extra pencils and rubbers.

On the whole most students enjoyed working outside and would like to do it again
